

A close-up photograph of a clear plastic Ethernet network cable connector (RJ45) plugged into a port. The background is a vibrant, solid red color.

# Economists Online

## Online access to the academic output of leading economists

- 16 world leading university libraries with strength in economics
- Showcasing leading European research on the web:
  - Recent and earlier research
  - Full-text access wherever possible
  - A place where datasets and traditional publications will meet
- Providing a stimulus for libraries to establish IRs or increase content to existing ones
- Allowing Nereus members to share expertise and exchange knowledge for the benefit of researchers

If you have a strong economics research profile and wish to join Nereus, then contact Programme Manager: Vanessa Proudman on 0031-13-466 2314 or [v.m.proudman@uvt.nl](mailto:v.m.proudman@uvt.nl)

A background image showing a dense array of fiber optic cables. The cables are illuminated with various colors, primarily reds, oranges, and yellows, creating a complex, glowing pattern of light trails.
